掛川花鳥園

k a k e g a w a k a c h o u e n

In our huge area, We have a big greenhouse, water lily pool, ponds and farms.

Our greenhouse is completely air-conditioned which offers cool breeze in summer and warmth in winter, even in rainy days you can enjoy and have fun visiting Kachouen comfortably.

People with disabilities who uses wheelchairs and families who have baby carts should not worry because our park is barrier-free, everyone can enjoy and have fun visiting our park.

Sights in Kakegawa Kachouen

Experience of bird feeding

Impressive experience by interacting with birds directly

Since almost all birds in Kakegawa Kachouen are not caged, you can interact with them directly.

It might be scary to interact at the first time, but they are so cute if you get used to!

With feeding experience, you can watch birds eating from your own hands from up close.

Together with Barn Owl

Taking a photo together with birds

You can take a photo with great-individual birds of Kakegawa Kachouen.

For example, you can take a photo and capture your memories of putting an owl on your arm, hugging a penguins, and etc.

Harris Hawk fly nearby you

Bird show with full impact

At the bird show, birds will fly low altitude nearby your side and perform lots of special skills. You can have an enjoyable and thrilling moments.

Various birds (e.g. owls, Harris Hawk, etc.) will perform.

Flowers of greenhouse is overwhelming!!

Year-round blooming and colorful flowers

In Kakegawa Kachouen, you can enjoy the sights of various flowers at any seasons. Blooming flowers hanged down from greenhouse ceiling are overwhelming. We plant various kinds of water lily at the water lily pond, you don't want to miss to take a peek at our colorful water lily ponds.
